I am directed, to submit, for the favorable consideration of His Excellency the Governor General of India in Council, an application for the grant of acres 38-1-4 of waste land, bearing an annual assessment of Rupees 60, in endowment of a choultry erected at Ahtoor in the District of Salem by one Nuthud Saib, a respectable inhabitant of the place, at a cost of Rupees 6,294.

2. Nuthud Saib not having been aware that he ought to have obtained previous permission to build the choultry, failed in this particular to comply with the rules; but as all the substantial conditions of such grants have been fulfilled, the Hon'ble the Governor in Council is of opinion that the omission ought not to bar the endowment of the choultry, which is stated to be conveniently situated, commodious, and well adapted for the use of all classes.
