No. 63.

PROCEEDINGS of the MADRAS GOVERNMENT.

Dated the 16th September 1859, No. 1249.

Read Statement from the Board of Revenue, dated 16th August 1859, No. 3199, showing the state of the season in the Western Coast Districts for July 1859.

The Government resolve to call the attention of the Board of Revenue to the use of the term "Corge" in the Canara Season Report and to request them to direct the Collector to use in all his reports and returns either English denominations or such Native ones as are in general use or generally known; the same denominations of weight or measure should be used in all

the returns as otherwise comparison becomes difficult and impossible. The Government would call the attention of the Board to their order* on this subject and express the hope that it may not be necessary again to remind them of it.
