From Captain W W Bayley
Deputy Supt. Rev: Survey

To Captain T J B Braithey
Supt. Rev: Survey

Sir I have the honor to
State that the Civil auditor
in a letter received this day
informs me that as I did not
take advantage of the leave granted
me in December last, within 2
months of its publication, I must
obtain the permission of Govern-
ment to avail myself of it before
quitting my station

I beg to submit that I was
granted leave on the conditions
that I should not avail myself of
until Mr Newill the Director of
Rev: Settlement had visited the
Trichinopoly district. I met Mr
Mr Newill on the 9th of February.
After he had set me at liberty
I was unable to take my leave
for a time as my party was just
Commencing field work.

Subsequent to that, sickness among my head Surveyors has prevented my being able to leave my post without detriment to the public service.

Under these circumstances I trust that I may be permitted to quit the Pedernopoly District on the leave granted me whenever (in the course of the next two months) I can do so without interfering with the work of the Survey sooner.

Fort St. George

Sir,

1 In reference to the grant of leave of absence under date 24th December, 1858, to Captain Hessey for one month. I have the honor to state that that Officer has been unable to take it within the period of 2 Months from its publication, and that the Civil Auditor has intimated that the permission of Government is now necessary to enable him to avail himself of it.

2 Captain Hessey, Deputy Supt. of Revenue Survey, was in the first instance detained, as proposed in my Endorsement recommending the grant of the leave, to meet me in the Trichinopoly Talooks during my present

recent tour in the South, and there did not like to take the leave just as his party was commencing field work, and immediately after Cholera broke out in his Camp and carried off and disabled some of his Surveyors. so that he could not leave his post without detriment to the public Service.-

3. Under these circumstances, I request that the leave in question may again be made available from the date of his quitting the Trichinopoly District.

I have the honour to be
Sir
Your Most obedient Servant.
