*Proceedings of the Madras Government, Revenue Department,
from 24th September to 4th October 1859.*

No. 3. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, Fort Saint George; dated 17th September 1859, No. 185.

I have the honor to submit for the favorable consideration of Government the question of the travelling batta to be allowed to 2d Dresser V. Ethirajulu No. 326 attached to my establishment.

2. In forwarding to the Civil Auditor a bill for travelling batta at the rate of 2 annas a mile to be drawn by the Clerks of my office (who draw under 40 Rupees a month) I submitted one at the same time on account of the 2d Dresser, which has been returned to me unaudited, with the remark, that a charge on this account can only be passed at the rate of Rupees 4-11-9 per mensem "for as many days as he may have been actually travelling."

3. This decision is, I believe, strictly in conformity with the rules, but in the case of the 2d Dresser who draws only Rupees 24-8-0 a month and is exposed to constant travelling, and whose duty compels him to visit the officers attached to this department who may be employed at distances of 30 or 40 miles from my camp, it will cause considerable distress and inconvenience.

4. I beg therefore that the Government will be pleased to view V. Ethirajulu's as a special case, and will authorize the Civil Auditor to pass to the 2d Dresser employed in the Commission the same rate of travelling allowance and permanent batta drawn by the Clerks and Gumastahs of the establishment; viz., the former at the rate of 2 annas a mile for distance actually travelled, and a permanent batta of $\frac{1}{5}$ ths of his salary.

No. 4. ORDER THEREON, 24th September 1859, No. 1287.

Referred to the Military Auditor General for report.

(Signed) W. C. SIM,
Acting Deputy Secretary to Government.
