*Proceedings of the Madras Government, Revenue Department,
from 24th September to 4th October 1859.*

No. 5. Read the following letter from W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department; dated 3d September 1859, No. 3488.

With reference to the Proceedings of Government,
In Con. 19th August 1859, No. 4173. dated 19th August 1859, R. D., No. 1115, forwarding
a letter from the Secretary to the Government of India, I
am directed by the Board of Revenue to submit a statement* shewing the reductions consequent
on the abolition of Sarishtadars, and the appointment of Managers in their stead, and

* A. also the financial results of the arrangements sanctioned for the employment of Deputy Collectors.

2. It will be seen from the statement (A) that the salaries of Sarishtadars, &c., at the time when these situations were done away with, amounted to Rupees 14,137-8-0, from which Rupees 7,075, the pay of the Managers and Deputy Managers sanctioned being deducted, the net saving is Rupees 7,062-8-0. The expenditure involved by the employment of Deputy Collectors and their establishments is Rupees 26,750, and deducting from this the saving above noted, the extra expenditure to the State will amount to Rupees 19,687 per month.

3. The above calculations show what will be the result when the sanctioned arrangements have been fully carried out, which has not yet been done. The situations of Sarishtadars have all been abolished. The Head Sarishtadars of Madura, Kurnool, South Arcot, and Malabar, have been allowed to retire on pension, and their services have been dispensed with. The other Sarishtadars have been transferred to the grade of Deputy Collectors, a few of the Managers attached to the Sub Collectors still draw their salaries which are in excess of new rates, but they are being absorbed as vacancies occur.

4. Forty one† Deputy Collectors have been appointed up to the present time, besides eight† for the Inam Department. In making these appointments the sanctioned scale has not been strictly adhered to, and the salaries of these posts, as they are now filled up, amount only to Rupees 16,800 per month.

5. The charge on account of establishments for the Deputy Collectors cannot now be correctly stated, as all of them have not been yet entertained.

6. It will be some time before the whole arrangements can be carried out according to the sanctioned scale, but in the meanwhile the expenditure will be within the sanctioned amount.

7. The accompanying statements have been prepared on the supposition that it is the financial result of the scheme when fully carried out which the Supreme Government wish to know, and not the varying expenditure within their sanction which is incurred while the arrangements are being perfected.
