*Proceedings of the Madras Government, Revenue Department,
from 5th to 21st October 1859.*

No. 103. Read the following letter from H. CLEGHORN, Esq., M.D., Conservator of Forests; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, Fort Saint George; dated Utakamund 5th October 1859, No. 799.

I beg to submit for the consideration and orders of Government that there are at present three vacancies, as per margin, in the Department under my charge, and that I have advertised in several consecutive issues of the Fort Saint George Gazette, but no applications have been received from passed candidates, and I have reason to think that none are likely to be made as Segúr and Anamallay are particularly dreaded for their unhealthy climate. The chief duties are as copyists; two persons are now engaged temporarily who perform their duties satisfactorily, and I have to solicit that Government will permit them to be entertained, as great inconvenience arises from the abstracts being returned unpassed from the Audit office.

Under the circumstances stated, the Government authorize the Conservator of Forests to employ the persons mentioned in this letter in the vacancies on his establishment until passed candidates can be procured.
