Dated October 21, 1859.

Proceedings of the Madras Government, Revenue Department, from 5th to 21st October 1859.

No. 136. Read the following Proceedings of the Board of Revenue, dated 14th October 1859, No. 4159.

Read letter from the Collector of Coimbatore, dated 19th September 1859, No. 174.

(In Con. 26th September 1859, No. 4776.)

In Con. 29th August 1859. Submitted to Government with reference to their proceedings, dated 26th August 1859, R. D., No. 1145.

2. The Board observe that the removal of the huts from the immediate neighbourhood of the Ootacamund Dispensary was specially applied for by the station Medical officer on sanitary considerations, and similarly at Coonoor, the re-building of the huts which had been burnt down was forbidden without change of site in consequence of Dr. McPherson having strongly commented on the crowded filthy state of the Coonoor bazar, as tending to generate disease, and as part of the improvements which had consequently been introduced. The omission of the Acting Collector to obtain the previous sanction of Government to his proceedings, as they involved the payment of compensation by the State, was altogether irregular, but the Board trust that the circumstances will be held to excuse it, and they beg to repeat their recommendation that sanction be granted for the payment of the compensation awarded to the hut owners, viz., Rupees 247.

No. 137. ORDER THEREON, 21st October 1859, No. 1422.

The Board of Revenue send up a further letter from the Collector of Coimbatore respecting some huts at Kunúr and Utakamund, removed by the late Acting Collector, for which compensation is sought; but the information supplied is still so defective that the Government are unable to pass an order, and are compelled to make another reference.

2. The Board will call on Mr. Thomas to state the number of the huts removed at Utakamund, their value, and the mode in which it was estimated; also whether it includes any thing for the value of the land, and whether other land in lieu was given to the parties. The distance from the Dispensary building of the nearest hut, and of the most remote, should also be stated.

3. At Kunúr it seems no buildings were removed, but certain huts destroyed by fire were not allowed to be re-built; but other ground was assigned to the owners. The Collector will explain for what injury or loss compensation is proposed to be given in this case, for how many huts and how computed. The particular object of Mr. Boswell in recommending the change of site, and of Mr. Cherry in approving it as he seems to have done, should also be explained.

Secretary to Government.
