Proceedings of the Madras Government, Revenue Department, from 22d to 31st October 1859.

No. 19. Read the following Proceedings of the Board of Revenue; dated 6th October 1859, No. 4318.

Read letter from the Collector of Vizagapatam, dated 21st July 1859, No. 685, enclosing Zillah Surgeon's letter, and reiterating his request for sanction to disburse the sum applied for.

(In Con. 29th July 1859, No. 3761.)

In Con. 8th July 1859, No. 3319. Submitted to Government, with reference to their proceedings, dated 7th July 1859, No. 898.

2. The letter from the Medical officer forwarded by the Collector, affords the explanation required by Government as to the necessity of the removal of the huts lying contiguous to the Vizagapatam Dispensary.

3. The Collector is unable to explain why this necessity was not stated when sanction for building the Dispensary was applied for, as the Engineer officers who were then engaged in the undertaking, are not now in the district. Under these circumstances the Board re-solicit the sanction of Government for the outlay required for the removal of the huts.

No. 20. ORDER THEREON, 24th October 1859, No. 1434.

Under the explanation now afforded, the Government sanction the disbursement of Rupees (116) one hundred and sixteen for removing certain huts contiguous to the new Civil Dispensary at Vizagapatam.

(Signed) J. D. BOURDILLON,
Secretary to Government.

IN CON. 29TH JULY 1859, No. 3761.

From C. W. READE, Esq., Collector of VIZAGAPATAM,

dated Vizagapatam, 21st July 1859, No. 685.

I beg to acknowledge the Proceedings of Government, Revenue Department, No. 898 of the 7th instant, and in reply thereto, I herewith enclose copy of a letter to my address from the Zillah Surgeon, which will probably afford the satisfaction required by Government, as to the necessity of the removal of the huts referred to.

2. I am afraid the attempt to discover "why the necessity of removing these huts was not "stated when sanction for building the new Dispensary was applied for," would lead to much and unprofitable correspondence; the officers of the present Engineer Department were not here at that time, and ignorance would be the obvious plea of any others who might be questioned on the subject, I have, therefore, not thought it worth while to delay replying to the main point in the orders of Government, and accordingly have only to reiterate my request for sanction to disburse the sum applied for.

3. I beg to add, that at the instance of the Zillah Surgeon the Engineer of the district submitted to me for counter-signature a plan and estimate for additional improvements to the Dispensary, amounting to upwards of Rupees 800. In consequence, I inspected the building in company with those officers, and being of opinion that the proposed works were not in the least called for, I returned to the Engineer both plans and estimates declining to lend my sanction to the outlay. It was on this occasion that I satisfied myself of the reasonableness and propriety of the removal of the huts as solicited by the Zillah Surgeon, and I regret my omission to forward copy of his letter simultaneously with my application.

ENC. 1.

From J. H. BLACKWELL, Civil Surgeon,

To C. W. READE, Esq., Collector and Magistrate of VIZAGAPATAM,

dated Vizagapatam, 21st July 1859, No. 14.

I have the honor to bring to your notice that there are a few native huts close to the new Civil Dispensary at the north west and south east corners, which it would be highly desirable to remove; the people in these huts are very dissipated, and keep up a constant riot; I am assured that the noise made last night was quite intolerable; besides they keep quantities of pigs which are a great nuisance, and the habits of the people themselves are filthy in the extreme and a source of great annoyance.

2. I do myself the honor of bringing these facts to your notice, in the hope that you will kindly take into consideration the propriety of causing the removal of the huts by which the hospital and patients will be much benefitted.

(True Copy.)

(Signed) C. W. READE,
Collector and Magistrate.
