Proceedings of the Madras Government, Revenue Department, from 22d to 31st October 1859.

No. 60. Read the following Proceedings of the Board of Revenue, dated 15th October 1859, No. 4168.

Read letter from the Director of Revenue Settlement, dated 24th September 1859, No. 874.

(In Con. 26th September 1859, No. 4772.)

Resolved that the above letter be submitted to Government with the Board's recommendation that as Mr. Newill desires to obtain the services of Tiruvencata Achari in South Arcot, he may be transferred to that district from Chingleput to which he now stands appointed, and permitted to correspond directly with Mr. Newill on the subject of the settlement operations in Chidambaram and Manargudi talooks, the introduction of the new arrangements there, when sanctioned by Government, being entrusted to him under the Collector, whom he would of course keep fully informed of all his proceedings.

2. As to the particular subject of Triuvencata Achari's petition, viz. that although when appoined Deputy Collector, he was acting in a post ranking with that of Head Serishtadar and having attached to it the salary of Rupees 280, he was not treated as Head Serishtadar on that amount of pay and placed in the third class of Deputies, but was posted to the fourth class on Rupees 250 per mensem, the Board consider that he has no ground of complaint whatever. Triuvencata Acheri though an useful public servant, is of but comparatively short service, and has been rapidly promoted. As Sub-Serishtadar of South Arcot he was drawing Rupees 200 per mensem substantive pay, when he was appointed as a temporary measure to the settlement department on Rupees 280, a rate of pay which was fixed in consideration of the inconveniences of frequent travelling and such like incidental to the department.

3. Triuvencata Achari used frequent endeavours though the Board, and also by addressing Government, to relinquish this duty before his services could be conveniently dispensed with, and to resume his duties as Sub Serishtadar, and but for his permanent promotion to be a Deputy Collector, he would probably have done so before now.

4. Under these circumstances the Board do nor think he has any right to complain that his permanent post, which he was so eager to rejoin, was considered to be the position from which he was to be promoted when appointed a Deputy Collector of fourth class.
