Dated 28-10- 1859

No. 78. Read the following Proceedings of the Board of Revenue; dated 9th September 1859, No. 3737.

Read letter, dated 25th September 1858, No. 140, from the Acting Collector of Malabar, forwarding a statement of the Inam lands of his district.

(In Con. 28th December 1858, No. 4497.)

Resolved that the letter above recorded together with the statement which accompanied it, be transferred to the Inam Commissioner, for disposal.

2. With regard to the remark in paragraph 8, that the general opinion in Malabar is that all the lands held on maniem tenure far exceed the extent entered in the accounts, or acknowledged by the holders, and that their measurement will disclose a considerable increase which may be justly assessed to the manifest advantage of Government, the Board consider that the lands referred to should be surveyed as early as practicable; and they resolve to submit to Government the expediency of extending the revenue survey to the remainder of the province of Malabar, after the operations about to commence in the talook of Wynaad shall have been brought to a termination.

Para. 9. 3. The Board also think that the translation of the Hindivi Alloova Pymaish accounts should be completed as soon as possible, and they request the Collector to report what progress has been made in this respect since the date of the letter under reply.

4. In the last paragraph of his letter, the Acting Collector states that nothing has been left on record to show the grounds of Mr. Robinson's doubt whether the Survamaniems, Ardhamaniems, &c., in Malabar are of the nature of those free tenures contemplated by the Inam rules formerly in force. The Board, therefore, resolve to request Mr. Robinson to inform them of the grounds on which his opinion was based, to enable them to meet the requisition of Government in Extract Minutes Consultation, 8th July 1858, No. 910, and for communication to the Inam Commissioner and to the Collector of Malabar.

In Con. 19*th July* 1858, *No.* 2963.

5. The Board further resolve to submit a copy of these Proceedings, and of the Collector's letter, for the information of Government, with reference to the orders just quoted.

No. 79. ORDER THEREON, 25th October 1859, No. 1463.

1. The Board will be requested to forward to the Inám Commissioner a copy of the report from the Collector which accompanies this Extract from their Proceedings and to forward to him also the original enclosures of that report.

2. The suggestion contained in para. 2 of these Proceedings, regarding the extension of the Revenue Survey to the whole of the Malabar District, will be taken into consideration when the Wynaad Survey has made good progress: and the Board are requested to bring it again to the notice of Government in due time.
