**Not to be folded or roughly handled**

No. 13. Read the following letter from J. L. LUSHINGTON, Esq., Civil Auditor; to T. PYCROFT, Esq., Chief Secretary to Government, Revenue Department; dated 13th October 1859, No. 1204.

The Collector of Masulipatam has submitted a bill for arrears of pay from April to August 1859, on account of the Printing Establishment attached to his Collectorate, under the sanction contained in the order of the Madras Government No. 1112 dated 19th August last.

In scrutinising the items therein contained, I have discovered the Collector to have included in the aforementioned bill, the pay of 2 Zilladars @ 10 Rupees each amounting to 20 Rupees a month, *temporarily sanctioned* in G. O. No. 1578, dated 25th November 1858, an account of the Jummabundy of 1268, which ended in June of the present year, and in his report to the Government of the alterations proposed by him, to be made in his Mayenzabitha to meet the charges of a Printing Press Establishment obtained their confirmation to the measure; as I am in doubts whether the Government were aware of the circumstance at the time the Board recommended the revision for the sanction of Government, and as it is contrary to established rules to create a permanent augmentation of establishments from temporary. I am induced to bring this circumstance to their notice, previous to my passing that particular item for their further orders on the subject.

*E. M. C. No.* 72, *Finl. act.* 86 *Chp. VIII.*

Out of the amount sanctioned on 13th February 1856, for Saderward charges, for the Kycalore Talook and Sea Customs in the District of Masulipatam, the Collector I observe has appropriated Rupees 5 from the former and ⅓ from the latter to assist in the organization of the Printing Establishment, which has also obtained the confirmation of the Government; as the charges on account of Saderward expenditure are of a Contingent nature, I would question the propriety of the Collector appropriating the above sums towards the payment of any establishments.

With the exception of the 2 foregoing items I have passed the Supplemental Abstract of the Collector of Masulipatam, on account of the Printing Establishment from April to September last.

No. 14. ORDER THEREON, 2d November 1859, No. 1484.

The Zillahdars alluded to by the Civil Auditor in this letter do not belong to the Jamábandi temporary establishment, but are a part of the temporary establishments employed in the Masúlipatám District from year to year to manage the Estates which have become the property of Government. A large part of the establishment in Masulipatam is of this nominally temporary character. The arrangements sanctioned in the order of Government dated 19th August last, No. 1112, are only temporary pending the general revision of Revenue Establishments by Mr. Pelly; and the Civil Auditor is authorized to pass the entire Press charges of Masúlipatám according to that order.
