Proceedings of the Madras Government, Revenue Department, for the month of November 1859.

No. 66. Read the following letter from W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, R. D.; dated Fort Saint George, 22d October 1859, No. 4293.

In Con. 26th September 1859, No 4822.

With reference to the renewed call made in the proceedings of Government, dated 24th September 1859, No. 1295, R. D., for submission of a revised general saderwared estimate, I am directed by the Board of Revenue to state that the subject has been for some time under careful consideration, and returns have been received from almost all the districts shewing the estimated requirements of each, but the data on which these proceed will be so materially affected by the revision of talooks and establishments now taking place, that the Board are disposed to defer any report to Government on the subject until the final arrangements for each district have been settled and to call on the Collectors for fresh estimates with reference to the changes that may be made.

No. 67. ORDER THEREON, 5th November 1859, No. 1510.

Ordered that the foregoing letter be recorded.

(Signed) J. D. BOURDILLON,
Secretary to Government.
