No. 71. Read the following letter from JAMES FRASER, Esq., Acting Collector of Cuddapah; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department Fort St. George; dated Cuddapah, 29th October 1859, No. 37

With reference to the accompanying copy of a letter from the Civil Auditor, I have the honor to state that 1st class Deputy Collector D. Strínavása Rau late Head Sheristadar of Cuddapah, has unavoidably been detained here beyond the six months contemplated by Government in their order No. 405 of 25th March.

The order* of Government authorizing me to make my own selection in appointing a Manager reached me on the 22nd September. By this time, however, the individual on whom my choice had fallen was appointed a Deputy Collector, and posted to North Arcot; so that I had to think of another, and to learn whether he would accept the office or not: I was not able therefore to gazette the appointment till the 30th September 1859 (No. II. page 54). The Collector of Masulipatam could not relieve him from his charge as Tahsildar of Bunder talook before the 15th instant, and he is now on his way here, and may be expected to arrive in the course of next fortnight. Meanwhile the settlement Report had to be prepared and dispatched; so that D. Strínavása Rau has been necessarily, as I hope Government will consider, detained here till now. I can dispense with his services from the 1st proximo, when he will leave for Bellary; and I trust that, under the explanation given, Government will be pleased to consider his case a special one, and authorize the Civil Auditor to pass his abstracts for the difference between his pay as Head Sheristadar, and as Deputy Collector of Bellary, from the 25th ultimo until he has joined his new office.

* *No.* 1220 *of* 10*th September* 1859.

No. 72. ORDER THEREON, 7th November 1859, No. 1513.

Under the circumstances stated the Government sanction the detention of Srínavása Rau by the Acting Collector of Cuddapah until the 1st November, and authorize the Civil Auditor to pay him the difference of allowances until he shall join his appointment as Deputy Collector.

2. The necessity of detaining the Deputy Collector beyond the period fixed by Government ought to have been sooner reported.

Secretary to Government.
