2. Of the first mentioned amount, Rupees 27-1 were expended in the Magistrate's‡ Department, almost wholly on account of the Police establishment, authorised§ in 1853 in the Pentapad talook by the late Commissioner of the Northern Circars; and the remainder, as well as the whole excess in Fusly 1268, were incurred in the Revenue Department, owing to the increased demand for articles caused by the reversion of several estates to Government, the Abkari also having been under the management of Government servants in Fusly 1267, and to the enhanced price of lamp oil and dufter cloth, since the standard estimate was sanctioned.

§ Commissioner's Proceedings, No. 54, dated 3rd February 1853.

3. In respect of the Collector's proposal at the close of his second letter, to charge the cost of the paper on which paying copies of his District Gazette are printed, equally between the Press and Saderward funds, the Board do not see its advantage, and are of opinion that the present practice of debiting the whole cost to Saderwared should be continued.

From T. A. N. CHASE, Esq., Acting Sub Collector in charge, MASULIPATAM,
dated Masulipatam, 23rd June 1859, No. 107.

Pending the receipt of the authority of Government for the new scale of Saderwared charges posed for this district and submitted to the Board under date the 26th October 1857, No. 199, I have the honor to request that the Board will be pleased to obtain the sanction of Government for the sums noted in the margin, being the amount of Saderwared charges struck out by the Civil Auditor from the bills for June and July 1858, as being in excess of the annual sums, viz., Rupees 2,310-11-4 and Rs. 462-1-10, sanctioned under dates 17th December 1851 and 15th November 1851 for the Revenue and Magisterial departments respectively.

nue Saderwared bill for July 1858.	86	6	3.
istrate do. for une 1858.	27	1	0.

2. The Board are doubtless aware that since the above sums were sanctioned several estates have erted to Government and that the Abkarry farm was under the Collector's management for Fasly 67, the Saderwared expenses have consequently increased for that Fasly to the extent noted above.
