No. 117. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, Fort St. George; dated Madras, 31st October 1859, No. 962.

Para. 1. In para. 3 of my letter of 23rd March 1858, No. 97, I recommended that the correspondence which had passed regarding the Revenue Survey since the printed volume No. 9, of the Selections of the Records of the Madras Government was published, particularly Captain Priestley's interesting report for the season of 1856, should be printed as a sequel to that book volume No. LIII. of the Selection from the Records of the Madras Government relating to the general Survey and Assessment of this Presidency has since been printed and is confined mostly to the correspondence in which the general scheme of operations is discussed.

2. As it may be thought desirable to print the papers relating to the operations of the Survey subsequent to the date of volume "No. 9 Revenue Survey," I would suggest that Captain Priestley's report above referred to should not be overlooked, as there are contained in it and some of the appendices very useful particulars of the mode of procedure, which Captain Priestley has not thought it necessary to repeat in subsequent reports.

No. 118. ORDER THEREON, 10th November 1859, No. 1536.

Ordered that the foregoing letter be recorded.

Secretary to Government.
