No. 7 A. ORDER THEREON, 12th November 1859, No. 1539 A.

Ordered in consequence that the following letter be despatched.

No. 8. From J. D. BOURDILLON, Esq., Secretary to Government, Fort Saint George; to Captain H. T. CAMPBELL, 13th Regiment N. I., Waltair; dated 12th November 1859, No. 1540.

The circumstances of your quitting your post in Kimidy without leave have been brought to the knowledge of the Governor in Council. I am directed to acquaint you that His Excellency in Council regards it as a very grave offence in a Public officer, except under imperative necessity, to abandon an important and varied charge such as yours, in the manner you have done, without permission, and without any provision for the discharge of his duties. Before, however, passing an order on your case, the Governor in Council desires to have before him such justification as you may have to offer, and which you are directed to submit without delay.

IN CON. 11TH NOVEMBER 1859, No. 5611.

From G. S. FORBES, Esq., Collector of GANJAM,
dated Chetterpore, 31st October 1859, No. 323.

With reference to my letter of 29th instant, No. 321, I have the honor to forward, for the information of the Court, Telegrams which have passed between myself and Dr. Andrews at Chicacole, regarding Captain Campbell's departure from the district together with a message received from Captain Campbell on his arrival at Vizagapatam with my reply. I also send copies of letters which passed between Captain Campbell and the Acting District Engineer.

2. I have already stated my opinion of the abrupt manner in which Captain Campbell left his charge, and as it does not appear that he took medical advice at Chicacole, I cannot perceive that the act was justified by any emergency.

P. S.—Since writing the above letter, I have received the accompanying certificate granted to Captain Campbell by Apothecary Powell and counter-signed by the Superintending Surgeon at Vizagapatam. Captain Campbell's application now stands for three months' leave which, under the circumstances, I leave it to the Court to deal with. As I have already observed, I see nothing said of any emergent necessity for departure.

As the Acting District Engineer has intimated his readiness to place Captain Philipp's services at my disposal, and as he proposes to give him temporary charge of the maramut works on the Purla Kemedy estate, I have requested Captain Philipps to take command of the Sibundies and to exercise a general supervision in the estate, as regards the concerns of the Rajah and his family and the preservation of order and security. I have felt it necessary to take this course, because the employment of my Principal Assistant on other duty leaves the whole of the southern portion of the district without a European officer to take immediate cognizance of matters in Purla Kemedy. The Deputy Collector appointed to have charge of the Salt Department is now in temporary charge of the Chicacole Treasury and Police.

ENC. 2.

From CAPTAIN E. H. HARINGTON, Acting District Engineer,
To G. S. FORBES, Esq., Collector of GANJAM,
dated Chicacole, 28th October 1859, No. 75.

I have the honor to inform you that Captain Campbell left Chicacole yesterday afternoon, for Vizapapatam. The enclosed correspondence, my letters Nos. 72 and 73 to him, and his reply which reached me after he had left, are herewith forwarded for your consideration.

2. With reference to the 2nd paragraph of Captain Campbell's letter, I beg to inform you that he has given me a receipt from the manager of Kemedy, of having taken on his Public Works balance Rupees 3,127-2-2, but that he has left his range without any communication with me,

and without having made any authorized arrangements for the charge during his absence, and without my consent.

3. I am now directing the senior subordinate there, Assistant Overseer Fuller, to take charge of the range and office for the present, and to report to myself. I have also warned Captain Philipps by telegraph to be prepared, in case his services are required in Kemedy.

4. I enclose a copy of my report to the Chief Engineer.

From CAPTAIN E. H. HARINGTON, Acting District Engineer,
To CAPTAIN H. T. CAMPBELL, Assistant Agent,
dated Chicacole, 26th October 1859, No. 72.

As I hear you are passing through Chicacole en route to Vizagapatam, it is my duty to point out to you that you have not made any reference to me regarding leave from this district, though Government in their Order of 27th May last, directed that the works in Kemedy were to be under the District Engineer, that the Kemedy estate was to be an executive range, and the Assistant Agent the Executive Engineer in charge of it.

2. Though thus myself responsible for the execution of the works in Kemedy, I now find that you have left the range and are leaving the district without any communication with myself.

3. I must request you to report by what authority you are thus leaving the range and district, and what arrangements have been made for the charge of the range in your absence. I presume you are going by permission of superior authority, but in any case, reference should have been made to me, and Government will doubtless expect me to satisfy myself that the Kemedy range can be efficiently conducted in your absence.

From CAPTAIN E. H. HARINGTON, Acting District Engineer,
To CAPTAIN H. T. CAMPBELL, Assistant Agent,
dated Chicacole, 26th October 1859, No. 73.

In continuation of my letter of yesterday, and with reference to the conversation I have since had with you, I must distinctly point out to you that I cannot consent to your leaving the district unless on emergent Medical Certificate, or unless you have special leave from the Agent, who I have no doubt would first refer to me.

2. By the Order of the Chief Engineer, a District Engineer cannot grant leave of absence to an Executive Officer in anticipation of the Chief Engineer's sanction, unless on emergent Medical Certificate.

From CAPTAIN H. T. CAMPBELL, Assistant Agent.
To CAPTAIN HARINGTON, Acting District Engineer, GANJAM,
dated Chicacole, 27th October 1859, No. 150.

In reply to your letter, No. 73 of this date, I have the honor to inform you that I have reported my departure from Kemedy to Vizagapatam in anticipation of leave on Medical Certificate to the Agent.

2. I also intimated that I would hand over charge to you of the maramut accounts, and I request you will have the goodness to inform him that I have done so.
