With reference to my letter of the 31st ultimo, No. 4415, on the subject of the construction at Cochin of two boats to guard the pearl banks of Tinnevelly, I have the honor to inform you that the Master Attendant at that port has brought to my notice the circumstances of a large quantity of teak timber being about to be sold by auction at Alipee on the 15th instant, and has suggested, as it will probably realize less than the Cochin market rate, that he be empowered to purchase sufficient for the purpose if it is decided that they shall be built.

If the orders of Government are obtained on this point, there will be time to communicate with Captain Castor by Telegraph, if not by letter, so as to enable him to be present at the sale.
