No. 34. Read following Proceedings of the Board of Revenue, dated 25th October 1859, No. 4332.

Read letter from the Collector of Ganjam, dated 3rd August 1859, No. 235, submitting the information called for by Government, in their Proceedings, No. 942, dated 15th July 1859, respecting the excess saderwared expenditure incurred in his district in Fusly 1267.

(In Con. 15th August 1859, No. 4077.

In Con. 16th July 1859, No. 3535.

Submitted for the information of Government, with reference to their Proceedings in the Revenue Department, No. 942, dated 15th July 1859, desiring to be informed whether any saving had been effected in the Jummabundy saderwared of the Ganjam district, by the introduction of the new forms of village accounts, and how it was that the actual expenditure exhibited in the Collector's statement, then under remark, tallied exactly with the sanctioned amount for each talook.

2. The Collector explains that the Jummabundy saderwared of his district is not separately provided for, and is defrayed from the amount allowed for the Huzzoor—the village accounts, prior to the introduction of the new forms, and excepting in the talook of Wodadah, where paper was used but at the expense of the villages, having been prepared on cadjans which cost nothing.

3. As regards the second point, it appears that the amount allowed for each talook being barely sufficient, it is disbursed by monthly instalments to the talook authorities who, only by the strictest economy, can keep their expenses within it.

4. The excess charge, for which sanctioned is now required, is Rupees 509-5-8, as stated in the Board's Proceedings, No. 2538, dated 1st July 1859.

No. 35. ORDER THEREON 16th November 1859, No. 1555.

Under the explanation afforded the excess Sadirwárid charge incurred in Fusly 1267 in Ganjam amounting to Rupees (509-5-8) five hundred and nine, annas five and pice eight is sanctioned.

2. The explanation offered by Mr. Forbes as to the exact coincidence of the actual expenditure of every Táluq with the sanctioned amount is not satisfactory. It is evident that the accounts of the expenditure are cooked to suit the estimate.

Secretary to Government.
