No. 65. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, Fort Saint George; dated Madras, 11th November 1859, No. 995.

Para. 1. As the demarcation of boundaries for the Revenue Survey in the upland táluqs of Masulipatam, and Rajahmundry now in progress, embraces the frontier line of the Nizam's Territory, I have the honor to suggest that it is desirable that His Highness' Government should be moved to issue instructions to the local officers and to the authorities in the villages coterminous with the Masulipatam District to take a part in the tracing and demarcation of the boundaries, which they are at present naturally reluctant to do, without any order or authority from their own superiors.

2. Should any important boundary disputes be found to occur on this frontier a separate recommendation for their disposal will be submitted.

Ordered in consequence that the following letter be despatched.

No. 66. From J. D. BOURDILLON, Esq., Secretary to Government, Fort St. George; to the Resident at Hydrabad; dated 19th November 1859, No. 1571.

Dated 11*th Nov.* 1859, *No.* 995.

With reference to the accompanying copy of a letter from the Director of Revenue Settlement, reporting that the Survey in progress in the upland táluqs of Masulipatam and Rajahmundry embraces the frontier line of the Nizam's Territories, I am directed by the Honorable the Governor in Council to request that you will be good enough to move His Highness' Government to issue instructions to its local officers and authorities in the villages along the frontier, to take part, as suggested by Mr. Newill, in the tracing and demarcation of the boundaries, which he says they are at present reluctant to do without any order or authority from their own superiors.
