No. 40. Read the following Proceedings of the Court of Wards; dated 9th November 1859, No. 4583.

Read letters from the Collector of Ganjam, dated 28th and 29th October 1859, Nos. 318 and 321, submitting the application of Captain Campbell, the Assistant Agent in charge of Kimedy, for 30 days privilege leave and a subsequent letter reporting his departure from the district in anticipation of sick leave.

(In Cons. 8th November 1859, Nos. 5551 and 5552.)

The Court of Wards resolve to submit these letters to Government for such orders as they may think fit to pass, and with a request that no time may be lost in appointing an officer to the charge of the Maramut of the Kimedy estate who can take temporary charge of the Sibendies.

No Medical Certificate appears to have been submitted by Captain Campbell to the Collector, and as the Court observe that he anticipates returning to his duty in a month, they can scarcely suppose that the urgency of the case was such as to justify him in abandoning his command in a manner which cannot but be prejudicial to the discipline of the corps, and may the Court fear, to some extent imperil the tranquillity of the district in those parts exposed to incursions from the Sowrahs.

Sir, Fort St George -

In reference to my letter of yesterday's date forwarding an application for one months leave from Captain Campbell Assistant Agent in Vizagapatam, I have now the honour to submit a letter from their Medical Officer which has just reached me, stating that in anticipation of sick leave, he has started for Vizagapatam and I learn by a Telegram from Chicacole that he has already left the District for the first mentioned place.

2. I am enquiring from the Medical Officer at Chicacole whether the state of Captain Campbell's health required that he should leave the District so hastily. I had already pressed upon him

[illegible] the propriety of remaining till an Executive Officer is appointed who would take charge not only of his Monument Accounts but also of the Company of Sibundies who are now left without a European Officer and who are not in a satisfactory state of discipline.

3d I have telegraphed to the Secretary to Government requesting that no time may be lost in the appointment of the proposed Executive Officer for Kimedy and I now think it my duty to express my dissatisfaction at Captain Campbells abrupt departure which took place only a few days after an attack by a small party of Dowrahs on some ryots engaged in the cultivation of their land. On which occasion one man was cut down and killed on the spot and another wounded. Captain Campbells men have not been in my opinion made as available as they ought to have been for the repression of these outrages. A guard stationed at Buttely was

near withdrawn without my knowledge having previously, as I gathered from Captain Campbells account of the matter, been boarded with impunity by the Dowrahs who came down by night and discharged their arrows right into the guard room. I only learned these details on visiting Kimedy in person the other day. I found on my arrival that only one small guard was still kept up at an out post.

4th I am of opinion therefore that it is expedient the Court should express their opinion of the manner in which the duties I have alluded to are performed and that they should require Captain Campbell to qualify himself to transact business either in Oreya or Telugu.
