Dated 26th November 1859, No. 1605.

Read the comparative statement of the collections of Revenue in the several districts of the Madras Presidency for October 1859 in Fusly 1269 dated 19th November 1859 No. 4756.

Ordered that this statement be forwarded to the Home Government.

2. The attention of the Board of Revenue will be requested to the diminution in the salt sales of South Arcot represented at Rupees 92,998 and ascribed to the "diminished stock on hand and the necessity of restricting sales." The Government apprehend that under the measures adopted by the Board as reported in their proceedings of September 16, No. 3675 there will no longer be any reason to limit the sales. The Board will be requested to explain in what manner the sales are restricted.

3. Referring to the falling off of Rupees 17,381 in the salt sales in Canara, the Government request to be furnished with an explanation as to the change referred to in the mode of bringing the collections to account, and also to be informed whether the change is confined to that district only.
