No. 7. *PROCEEDINGS of the MADRAS GOVERNMENT.*

Dated 3rd December 1859, *No.* 1634.

The Governor in Council having occasion to appoint some more Deputy Collectors resolves to apply again to the local officers for assistance in selecting the fittest candidates. With this view he directs that every zillah Judge and every Collector shall be called on to submit a list of the three men whom they may severally consider the best qualified within their knowledge, for the important and responsible post in question. Each officer will arrange the three names in his list, in the order in which he considers that they ought to be preferred. The Judges' lists will be sent to the Sadr Adálat, and the Collectors' lists to the Board of Revenue ; and those authorities will carefully consider the lists ; and, respectively, arrange the names in a general list, classified according to their opinion of the merits of the several candidates.

2. Men of any caste, nation, or creed may be recommended ; and each officer will give the names of the three persons whom he considers the most fit, no matter whether in his own district or department or not, and without considering whether the same names have been given by any other officer. Full particulars should be given of the education, acquirements, past service or employment, temper, habits, character, age, &c. of the candidates. Above all it is the especial desire of His Excellency in Council that particular caution should be exercised in giving recommendation on the score of rectitude of conduct.

3. The Governor in Council trusts that no officer will take more than a week to reply to this requisition, and that the controlling authorities will submit the lists to Government without any avoidable delay.
