Proceedings of the Madras Government, Revenue Department, for the month of December 1859.

No. 28. Read the following Proceedings of the Board of Revenue, dated 24th November 1859, No. 4813.

Read the following letter from the Collector of Chingleput, dated 4th October 1859, No. 373.

(In Con. 8th October 1859, My. No. 4131.)

The Collector requests that certain books applied for by Mr. Jordan, the Deputy Collector in charge of his Treasury, may be ordered to be supplied to him, as though not entitled to them under the rules in force, still as he has been invested with the full powers of a Magistrate, he requires them for use.

2. In restricting the supply of books to the Treasury Deputies, to the Civil Auditor's Manual, the Government remarked, (Proceedings 30th April 1859, paragraph 9,) that the other books enumerated as wanted for the use of the Deputy Collectors, which they would need to use only occasionally, might be obtained when required from the Collector's office. It seems to the Board, however, that as Mr. Jordan has been invested with the magisterial charge of several talooks, the books he names, a list of which is given in the margin, will be constantly required by him; they, therefore, recommend that he be supplied with them.
