Proceedings of the Madras Government, Revenue Department, for the month of December 1859.

No. 39. Read the following Proceedings of the Board of Revenue, dated 25th November 1859, No. 4850.

Read letter from the Acting Collector of Cuddapah, dated 27th October 1859, No. 174, pointing out certain typographical errors in the scale circulated for writing oriental words.

(In Cons. 1st November 1859, No. 5406.)

In forwarding the above letter for the information of Government, the Board beg to state that they have examined the vowel scale alluded to, and find that the Acting Collector is correct. From an error of the press the five last lines in the column of remarks in page 5 of the report and of Government Proceedings, dated 12th September 1859, No. 1404, P. D., prefixed to the Report of the Madras Literary Society on the mode of transliterating oriental words, which was circulated by Government, have been transposed, and what should have appeared as 8, 9, 10, 11 and 12, are placed as 12, 11, 10, 9, 8. The original copy received by the Board on Foolscap sized paper is correct.

2. The Board received 200 copies of the pamphlet, 170 of which have been circulated. They request that 209 revised copies of page 5 may be struck off and sent to them, and they will take measures to have them substituted for the incorrect page in the pamphlet.

3. They would suggest that a similar correction be made in any more copies that may have been issued or printed.
