Dated 7 -12- 1859.

No. 45. Read the following letter from J. ROHDE Esq.; to J. D. BOURDILLON, Esq., Secretary to Government D. P. W., dated Ootacamund, 28th November 1859.

Referring to the order of Government 21st November No. 2715, declining to purchase my property at Guntúr, as being too extensive for the office of the Sub-Collector, I beg to tender one house only, consisting of three large rooms with verandahs and smaller rooms with ground, as more particularly specified in the enclosed plan, for the sum of five thousand five hundred Rupees 5,500.

The rest of the property I reserve at my own risk.

The portion I now tender is the best built portion of the whole.

I have no objection to accept the District Engineer's valuation, if the Government prefer this mode of determining the value.

The price I now propose is within that of a new dispensary.

No. 46. ORDER THEREON, 7th December 1859, No. 1655.

This letter will be referred to the Board of Revenue; who will be requested to report to Government at an early date, what public buildings will be vacated at Guntúr under the operation of the order of the 4th November 1859, No. 1499, and to what public purposes such buildings can be put. They will also be requested to state what accommodation will be available for the Sub-Collector's Kacheri, and whether Mr. Rohde's house can be considered to be required for that, or any other public purpose.

2. It has been before proposed* that the present Collector's Kacheri should be converted into a dispensary; the Board will report on this plan, and give their opinion as to its propriety.
