No. 11. Read the following Proceedings of the Madras Government in the Political Department, dated 7th December 1859.

Read the following letter from Lieutenant-General W. CULLEN, Resident of Travancore and Cochin; to T. PYCROFT, Esq., Chief Secretary to Government, dated Quilon, 29th November 1859, No. 104.

I have the honor to report that the Cochin Circar Salt contractor, one Ellia Rabby, brought his annual supply from Bombay in two British vessels. One vessel anchored and landed its Salt at the Circar port of Mulliapooram; but in consequence of the difficulties and delay in landing it at Mulliapooram, the other vessel landed its cargo in British Cochin.

2. The contractor has requested that the Salt may be permitted to be removed to Mulliapooram by backwater free of duty. The demand appears reasonable, but having been refused by the Collector of Malabar, as per annexed copy of correspondence, I have the honor to submit the matter for the disposal of Government.

No. 2908 *of the* 29*th ultimo.*

From P. GRANT, Esq., Collector of Malabar; to Major H. DRURY, Assistant Resident in charge, Trevandrum, No. 2091.

With reference to your letter of the 24th instant and enclosure, I have the honor to state that under the circumstances alluded to, I should not feel justified in exempting from the levy of import duty the Salt referred to by the Dewan.
