No. 27. Read the following Proceedings of the Board of Revenue, dated 1st December 1859, No. 4937.

Read letter from the Collector of Bellari, dated 17th August 1859, No. 118, submitting statement of alterations in the extra establishment sanctioned for preparing the accounts connected with the revision of assessment in his district.

(In Con. 22d August 1859, No. 4197.)

In their Proceedings, No. 4679, dated 20th December 1858, the Board of Revenue stated that the preparation of the Registers connected with the revision of assessment in Bellari was estimated to cost Rupees 7,088¾ and to occupy 28 months, but that it was expected the work would be done in two years, and the Deetwar accounts by June 1859. At the same time, it was proposed to discontinue a portion of the establishment sanctioned for the revision, and to entertain an extra Serishtadar on Rupees 150 per month to superintend the preparation of the accounts, the saving on the whole being Rupees 590.

2. Government sanctioned this measure in Extract Minutes Consultation in the Revenue Department, No. 1702, dated 22d December 1858, and an extra Serishtadar was accordingly employed who superintended the work until his appointment as manager in the Collector's Kacherí at Karnúl, since which time the first writer in the Bellari Kacherí has, with the Board's consent, been entrusted with the work his pay being increased while so employed from 50 to 80 Rupees per month. This alteration caused a further saving in the original estimate of 70 Rupees per month, which the Board have, however, allowed Mr. Hathaway to expend in the fair copying of 35 English registers appertaining to the Deetwar accounts, as the English writers on the regular establishment were unable to undertake the duty in addition to their own work, as originally contemplated by Mr. Pelly.

In Con. 24th December 1858, *No.* 5803.

3. The Board of Revenue accordingly recommend that the sanction of Government be accorded to the altered arrangement as shewn below, which involves no additional expense, in order to enable the Civil Auditor to pass the charges without further reference on the subject.
