Proceedings of the Madras Government, Revenue Department, for the month of December 1859.

No. 96. Read the following Proceedings of the Board of Revenue, dated 23th November 1859, No. 4871.

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Kárnul; to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort St. George, dated Kárnul, 19th October 1859, No. 136.

With reference to the official memorandum of the 26th May last, I have the honor to state that the deceased Poligar Pundiconah Yerra, Chennamah Naid's two younger brothers are alive, viz. Nulla Chennamah Naid and Rama Naid; Pedda Chennamah Naid also died some time ago.

In Con. 15th April 1859, *No.* 1669. Submitted to Government, with the letter from the Collector of Kárnul, dated 9th April 1859, No. 27.

2. As the Poligar pensions of the Ceded Districts have been usually regarding as hereditary, in lineal succession and during good behaviour, the Board recommend that the allowance enjoyed by the late Pundeconah Yerra Chennamah Naid, be renewed in the name of his son Vencatapah Naidoo from the date of his father's decease.

No. 97. ORDER THEREON, 20th December 1859, No. 1722.

The Government grant authority for continuing the annual pension of Rupees 1,137-8 enjoyed by the late Pundeconah Yerrah Chennamah Naid, to his son Vencatapah Naidu from the date of the former's decease.

2. The attention of the Board will be requested to paragraph 15 of the order in the Public Department dated January 27th 1857 No. 123, requesting them to prepare a list of all descriptions of pensions, to be printed. The Government hope that the submission of this list will not now be long delayed.

(Signed) J. D. BOURDILLON,
Secretary to Government.

In Con. 15th April 1859, No. 1699.

From the Honorable D. ARBUTHNOTT, Collector of KURNOOL,
dated Singavarum, 9th April 1859, No. 27.

1. I have the honor to report the death on the 13th March 1858 of Pundeconah Yerra Chennamah Naid, a Poligar in the Punchapollem Talook lately transferred to this from the Bellary District. This death took place before the Talook was transferred and the Collector of Bellary assigns no cause for non-report, but merely forwards me a petition from deceased's son, Vencatapah Naid, praying for a continuance of his father's pension in his name.

2. An annual pension of Company's Rupees 1,137-8-0 was granted to deceased by Government on the 28th December 1821 which he enjoyed till the day of his death.

3. From the 3rd para of the accompanying copy of a letter* addressed by the late Collector of Bellary, A. D. Campbell, Esq., to the President and Members of the Board of Revenue, it would appear that the pensions granted to the Poligar families of this part of the country are hereditary perhaps because they were given in lieu of resumed lands, offices and privilege, and the entire pension enjoyed by his grand-father Laul Munni appears to have been granted to the deceased, I therefore recommend that the same amount, viz. Company's Rupees 1,137-8-0 per annum, be granted to Pundicona Vencatapah Naidoo from the date of his father's death, viz. 13th March 1858 and beg that the sanction of Government for the same may be obtained.

Enc. 1.

From A. D. CAMPBELL, Esq., Collector of BELLARY,
To the PRESIDENT and MEMBERS of the Board of Revenue,
dated Adonie, 28th November 1821, No. 557.

I have the honor to report to you the death of Lall Munni, Poligar of Pundiconah, the 8th in the list of hereditary Poligars mentioned in the report of the former Principal Collector here under date the 20th March 1802.

2. The Principal Collector in his Report states Lall Munni received Company's Pagodas 481 from his country; this on referring to the account alluded to by him you will find to have consisted of an allowance in money to the amount of Company's Pagodas 390 deducted from the Jummabundy, and in Inam land entered at Pagodas 91-8-2, making a total of Company's Pagodas 481-8-2. But this Inam land was subsequently, at the great revenue survey, valued at Company's Rupees 300-3-8.

3. Under the late orders of Government respecting the hereditary nature of the allowances to the Poligar families in this part of the country, I have not interfered with the family succession; Lall Munni has left a widow with four sons all grown up young men. These four propose continuing among the numerous relatives and connexions of the deceased the lands granted to them by him and dividing amongst themselves what he retained in his own hands; and as I am not aware of any objection to an arrangement which seems acceptable to all the family, I have acquiesced therein, subject of course to any orders which your Board or the Government may be pleased to issue in modification thereof.
