No. 106. Read the following letter from Lieutenant-Colonel CUTHBERT DAVIDSON, Resident at Hyderabad; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Hyderabad Residency, 7th December 1859, No. 1807.

* *Stating that Mir Hyder Aly Khan Munsubdár will be deputed to be present with this view.*

I have the honor to forward copy of a note* received from the Minister, with reference to your letter of the 19th ultimo, requesting that the Nizam's Government may be moved to take part in the tracing and demarcation of the boundaries therein alluded to.

No. 1571.

Copy of a letter from Náwáb Muktár-ul-Mulk Báhádur, to Colonel Davidson.

In acknowledging the receipt of your letter, No. 1499, dated the 6th of Jamadí úl uvvul, instant, (2nd December 1859), together with a letter from the Madras Government, requesting that the officers of the Circar may be instructed to take part in the tracing and demarcation of the boundaries of the táluqs of Masulipatam and Rajáhmundry, I have to inform you that from the letter of the Government, it appears that it is their wish that in time of measuring the táluqs of the Government, the boundaries in the frontier line of the Nizam's territories, (in Masulipatam and Rajahmundry), be also defined, and that a proper person should necessarily be deputed to that place by this Circar, so that by the mutual assistance of the officers of the two Governments, the line of boundaries may be marked out. A Munsubdár by name Mir Hyder Aly Khan, will accordingly be deputed to that place, in order that he may be present in time of marking out the limits, and in case of any dispute arising with reference to the limits in question, he may report it to the Circar, when instructions in communication with you, will be sent for definitely settling that point. I hope you will kindly communicate to the Madras Government the deputation of the Munsubdár.
