

Revenue Department

No 172

Dated 9-2-1859

Fort Saint George, Revenue Consultation of 15th February 1859.

No. 1. Read the following Extract from the Proceedings of the Board of Revenue, dated 1st February 1859, No. 374.

Read letter from the Collector of Trichinopoly, dated 17th January 1859, No. 9.

(In Cons. 21st January 1859, No. 254.)

Resolved that the above letter be submitted to Government, with the Board's recommendation that the proposed transfer to the Military Department at a fair valuation, of the present Public Bungalow at Pootoor for the purpose of being converted into public quarters for an Apothecary, be sanctioned—and that the D. P. W. be requested to prepare estimate for a second class Bungalow on the more convenient site in another part of the station, referred to by the Collector.

2. The present site of the Public Bungalow is stated by the Collector to be "most inconvenient, out of the way, and difficult of access from all roads" entering Trichinopoly, and otherwise objectionable for its present purpose—while it is very conveniently situated for the Apothecary's quarters, being close to the Regimental Hospital.

(A true Extract.)

(Signed) W. HUDLESTON, *Sub-Secretary.*

No. 2. ORDER THEREON, No. 172; dated 9th February 1859.

1. The Government approve the proposed transfer to the Military Department at a fair valuation of the inconveniently situated Public Bungalow at Trichinopoly, for the purpose of being converted into Apothecary's quarters.

2. The Chief Engineer will be desired through the Public Works Department to prepare and submit an estimate for a second class bungalow in a more convenient part of the station, the site to be decided upon by the District Engineer in communication with the Collector. The price received for the present bungalow will be considered as a set off against the cost of the new one, and the Government will be prepared to authorize the immediate execution of the work, the surplus being disbursed from the one lakh fund.

(Signed) J. D. BOURDILLON,
Secretary to Government.

IN CON. 21ST JANUARY 1859, No. 254.
From J. BIRD, Esq., Collector of TRICHINOPOLY,

dated Trichinopoly, 17th January 1859, No. 9.

For the favorable consideration and orders of your Board, I do myself the honor to submit copies of

- * 1. Letter from the Officer Commanding 21st Regiment N. 1. dated 5th January 1859 No. 2.
2. Letter from Collector to Do. 6th January 1859. No. 5.
3. Do. from Major General Budd, Commanding Southern Division dated 17th January 1859 No. 63.

a correspondence as marginally* indicated, on the subject of making over, either by purchase or rent, to the Military Authorities of Trichinopoly the Public Bungalow at Pootoor within the Cantonment.

2. The situation of the present Rest House is most inconvenient for travellers entering the station; out of the way and difficult of access from all roads. The site too is objectionable, being close to the lines of a Native Regiment, and surrounded by Native houses; and lastly looking direct upon a Roman Catholic burial ground.

3. General Budd advocates the renting of the present building; but I would submit the better course to be for the Revenue Department to sell the premises out-right to the Military Authorities, at a fair valuation obtained through the Agency of the District Engineer. The Bungalow is not worth renting.

4. A new Rest House of the second standard might be built on a site more convenient, to the East end of the Station upon waste land, which would be purchasable at a small price.

ENC. 1.

From J. DE SAUSMAREZ, Lieutenant Colonel, Commanding 21st Regiment, N. 1.
To J. BIRD, Esq., Collector of TRICHINOPOLY.

dated Trichinopoly, 5th January 1859, No. 2.

The Medical Officer of the Regiment under my command having brought to my notice the great inconvenience which arises from the distance at which his only Subordinate, Assistant Apothecary O'Flaherty is obliged to reside, I have the honor to request you will, as a temporary measure permit him to occupy a portion of the Public Bungalow, which as you are probably aware is close to our Regimental Hospital.

2. There are no Public quarters for the Regimental Apothecary at Pootoor, and Mr. O'Flaherty having been unable to secure a residence in the neighbourhood is obliged to reside in the 34th Regimental Lines, not only to his own great inconvenience, but to that of his Superior Officer, and the corps generally, as he is necessarily absent for a considerable portion of the day; an inconvenience more especially felt just now whilst cholera is prevalent, and when his presence may be required at any moment. In the event of a question being raised at some future time as to Public quarters for an Apothecary, may I request you will favor me with your views whether if the present Bungalow could be converted to that purpose, another might not with advantage be established in some other part of Cantonment, seeing how objectionable the site of the present Bungalow as such would appear to be, and how completely the station has altered since it was first selected for its present purpose.

ENC. 2.

From J. BIRD, Esq., Collector of TRICHINOPOLY,
To LIEUTENANT COLONEL DE SAUSMAREZ, Commanding the 21st Regiment.

dated Trichinopoly, 6th January 1859, No. 5.

I do myself the honor to acknowledge the receipt of your letter No. 2 of date the 5th instant, requesting permission for Mr. Assistant Apothecary O'Flaherty to occupy a portion of the Public Bungalow at this station for reasons assigned.

2. Although the permanent, or even temporary occupancy of the Government Rest Houses by individuals other than travellers is prohibited under the Rules issued by the Board of Revenue, yet in reference to the peculiar circumstances brought to notice in your communication, I can have no objection to Mr. O'Flaherty residing temporarily in one room of the Pootoor Public Bungalow, so long as that room is not required by travellers. I have given orders accordingly.

3. Adverting to the contingency mooted in the last para of your letter, I beg to state that, your proposal for taking the present Public Bungalow as quarters for a Medical Subordinate shall have my support, and I shall be prepared to recommend for the favorable consideration of the Revenue Board the building of a Rest House at some more desirable locality in Trichinopoly. The present site of the Bungalow is most inconvenient, out of the way and difficult of access from all roads entering this large station.

ENC. 3.
From R. BUDD, Major General, Commanding Southern Division,
To J. BIRD, Esq., Collector of TRICHINOPOLY.

dated Trichinopoly, 17th January 1859, No 63.

I have the honor to request you will inform me whether you are prepared to allow a proposition to be made to Government for the rent or purchase of the Travellers Bungalow at Pootoor, and if so, what sum you would fix as the value in either case; should you be willing to allow of this arrangement the District Engineer would be requested to take steps to purchase another suitable House in the Cantonment situated in the vicinity of the Public rooms and put in thorough repair, to be used as a Travellers Bungalow. I would mention that renting the present Travellers Bungalow would be more likely to be sanctioned by Government than the purchase thereof.
