Proceedings of the Madras Government, Revenue Department, for the month of December 1859.

No. 3. Read the following remarks of the Board of Revenue, dated 28th October 1859, No. 4416 on the following tabular statement of pension arrears.

No. 4756, From the Acting Collector of Cuddapah, dated 17th September 1859.

(In Con. 23d September 1859.)

No. 63.—Under Circular order 2d October 1848, this pension has clearly lapsed to Government, but as the incumbent is stated to have been a minor in 1854, his relations are probably to blame for the neglect in drawing the pension at the stated periods. The Board, therefore, recommend that payment of the arrears due from 25th September 1853 to 25th August 1859, viz. 5 years and 11 months, amounting to Rupees 1,224-12, be authorised, and that the pension be continued prospectively from the latter date.

2. In the other cases embraced in the report, which are recapitulated in the margin, the arrears due are for similarly long periods, and the pensions are all forfeited under the Circular order above quoted, as modified by later orders. The pensioners plead sickness and absence from their villages as the cause of their default in drawing their respective allowances, and these statements are corroborated by the reports of the Tahsildars. But the Board do not doubt that the small amount of the sum to be received, and the trouble and expense of travelling frequently to the Huzúr station to receive it, are the real causes of the default. They would, therefore, recommend that payment of the arrears due be sanctioned; and that instead of continuing the allowances for the future, they be commuted under the Circular order, dated 21st July 1855, paragraph 5, on the usual conditions.
