Proceedings of the Madras Government, Revenue Department, for the month of December 1859.

No. 24. Read the following lettter from N. VENCATARAMANJOOLOO CHETTY; to J. D. BOURDILLON, Esq., Secretary to Government in the Revenue Department; dated 21st November 1859.

I beg most respectfully to bring to the notice of Government that my application for 50 cawnies of waste land at Avadie in the Chingleput collectorate for cultivation has not been replied to as yet, it being now one full year since the application was submitted, and I am given to understand that the Tahsildár of Púnamállí had assembled the Mirasdars of Avadie and compelled them to address Government to oppose the grant of the land by stating that it was not for cultivation, but to supply gravel to the railway company. The Mirasdars have since that period supplied the railway with gravel from the very land I applied for to the extent of nearly 1000 waggons, and if they continue digging, the land will become useless for cultivation. I beg to add that a brother of mine has already got 20 cawnies of land adjoining the spot I applied for, and is waiting sanction for the ground in question, that the whole 70 cawnies may be cultivated at once; this being the proper season and much labor will be required to be bestowed before the ground can be brought to produce. I beg an early reply to my application, to enable me to decide in the manner the land can be cultivated.

No. 25. ORDER THEREON 22d December 1859, No. 1745.

Referred to the Board of Revenue for disposal, with reference to the orders of Government dated 7th October and 14th December 1859, Nos. 1368 and 1695.
