Proceedings of the Madras Government, Revenue Department, for the month of December 1859.

No. 34. Read the following Proceedings of the Board of Revenue, dated 13th December 1859, No. 5155.

Read the following official memorandum from A. HALL, Esq., Collector of South Arcot; to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort St. George, dated Cuddalúr, 21st November 1859, No. 274.

The Collector has the honor to forward herewith, to the Secretary to the Board of Revenue, a comparative statement shewing the expenditure of sadirwarid during the past fasli 1268, with the particulars called for in the Secretary's official memorandum, dated 15th October 1859.

———

Resolved that the statement received with the above recorded letter from the Collector of South Arcot, together with his communication, dated 3rd August 1859, be submitted for the orders of Government, with the recommendation of the Board of Revenue that the excess sadirwarid expenditure incurred in the district for fasli 1268, amounting to Rupees 190-13-2, and almost wholly owing to the increased price of lamp oil and country ink, and to a greater consumption of French paper, be sanctioned.

In Con. 5th August 1859, No. 3912.

No. 35. ORDER THEREON, 23rd December 1859, No. 1750.

Sanctioned.

(Signed) J. D. BOURDILLON,
Secretary to Government.

In Con. 5th August 1859, No. 3912.

From Æ. R. McDONELL, Esq., Acting Collector of SOUTH ARCOT,
dated Cuddalore, 3rd August 1859, No. 172.

I have the honor to forward copy of a letter from the Civil Auditor, objecting to pass the full amount of the expenses incurred in this district, on account of Saderward, for the month of June last, on the ground that the total Saderward charges are in excess of the amount sanctioned by Government for the entire Fusly (year.)

2. The excess amounts to Rupees 190-13-2, as particularized in the margin; it was owing chiefly to the enhanced price of oil, which was expended in lighting the Cutcherry and in the manufacture of ink. Oil is now selling at eight seers for the Rupee, whereas for a like sum nearly double the quantity was procurable when the Saderward amount was fixed.

3. In future, I shall take care that the monthly accounts from the talooks are duly checked, and do my best to ensure that the amount sanctioned be not exceeded; but I must here remark that every article is now dearer than it was at the time the amount of Saderward was fixed. As far as I can judge, I believe there has been no waste or unnecessary expenditure.

4. Under these circumstances, I request that the Board will be so good as to recommend the Government to accord the required sanction to enable the Civil Auditor to pass the amount.

Enc. 1.
