No. 43. ORDER THEREON, 23rd December 1859, No. 1754.

The Government request that the Board of Revenue will consider and report whether the price of salt from Bombay being so high, arrangements cannot be made to send a part at least of the necessary supply for Malabar from the East coast, as is already being done in the case of Canara.

2. They desire to be informed further with reference to paragraphs 8 and 9 of the order of September 9th 1856 No. 1008 whether there is any reason why the selling price of the salt to be brought from Bombay under the contracts now reported should not be adjusted so as to be equal to the amount of the cost and duty.

(Signed) J. D. BOURDILLON,
Secretary to Government.
