No 188

Dated 11—2—1859.

No. 32. Read the following Extract from the Proceedings of the Board of Revenue, dated 1st February 1859, No. 369.

Read letter from the Acting Collector of Salem, dated 30th November 1858, No. 193.

(In Con. 28th December 1858, No. 5493.)

Ordered that the above letter and its enclosure be submitted to Government with reference to their Endorsement of 14th July 1857, on Petition No. 1468 of 1857.

2. It appears that the claim of Petitioner's opponent to a half share of the Toty Meerassi having been admitted and upheld by the Revenue Officers of the District, Petitioner adopted a system of annoyance, which led to several complaints against him, and to his suspension—while he obstinately refused to accept the moiety allotted to him, unless he was put in possession of the whole emoluments.

3. He has now accepted his half share, and promised to abstain from annoying his co-sharer. Under these circumstances no further orders seem necessary.

No. 33. ORDER THEREON, No. 188; dated 11th February 1859.

The Government remark that the whole of the present dispute has been caused by the apparently erroneous order of Mr. Collector Gleig in 1845; who instead of forbidding the division of the Tótti Mírási under Regulation VI. of 1831, confirmed an agreement entered into by certain members of the family of the registered Tótti, by which the emoluments of the office were divided into two parts; one part to be enjoyed by a person other than the registered official. The Government view with special disapproval the sub-division of village officers' emoluments, already very insufficient, and they request the Board will adopt measures for re-uniting the emoluments to the duties in the present case, and that they will discountenance all such severances, when brought to their notice in future.

No. 5493. From A. HATHAWAY, Esq., Acting Collector of SALEM,
dated Oossoor, 29th November 1858, No. 193.

With reference to the Board's Endorsement on Petition No. 93 of 1857, I have the honor to forward copy of an Endorsement passed by the Acting Head Assistant Collector Mr. Carr on the 23rd Instant. The Board will observe that the Petitioner's assertion that Chinna Chamoondy had been employed only as a cooly is without foundation, that Petitioner's claims to the whole of the Meerassy were rejected in 1845 and 1852, by the Collectors Mr. Gleig and Mr. Phillips; also that Petitioner, has, in presence of the Acting Head Assistant Collector, expressed his willingness to allow the defendant and his party to enjoy without molestation their moiety of the Meerassy, and that accordingly Petitioner's moiety has been restored to him, with a proviso, that any future breach of this agreement will entail his dismissal.
