No 189

Dated 11-2-1859

Fort Saint George, Revenue Consultation of 15th February 1859.

No. 34. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement ; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George ; dated Trichinopoly, 3rd February 1859, No. 85.

SIR,

Para. 1. I have the honor to acknowledge the receipt of Extract* Minutes Consultation dated 22d Ultimo, No. 110, directing that from the 1st Idem, newly appointed Uncovenanted Servants must be parties, whose names

are entered in the published list of passed Candidates for public employment, and to point out that the whole number of passed Candidates in the Northern Circars would form only a fraction of the men required for the Survey and Settlement parties now under organization in Masulipatam, &c., while from the unpopularity of these Departments and the experience already obtained with regard to men educated in schools, it is to be feared that very few of the passed Candidates will be disposed to join them, and also some may not be fitted by active habits and other qualifications for constant field work, which already has proved very distasteful to several who have otherwise given promise from their education of making intelligent servants.

2. To enable the heads of the several Survey and Settlement parties to organize or keep up their establishments, it will be absolutely necessary that the general rule at least for the present, should be relaxed for these Departments, and I trust that the Government will be pleased to allow that the utmost that can be done under present circumstances, to carry out their orders, is in all vacancies to give the preference to any passed Candidates who are physically as well as intellectually qualified for the duties of these Departments, and who are willing to accept appointments in them, leaving the vacancies not thus supplied to be filled by any other persons who may be found available.

No. 35. ORDER THEREON, No. 189 ; dated 11th February 1859.

Ordered to be referred to the Public Department for consideration, with reference to Extract Minutes Consultation in that Department, dated 22d January 1859, No. 110.

(Signed) J. D. BOURDILLON,
Secretary to Government.
