POLITICAL DEPARTMENT.

No. 84.

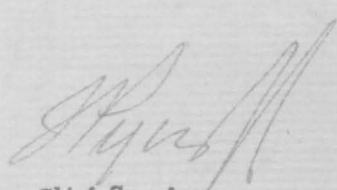

Extract from the Minutes of Consultation under date the 2nd February 1859.

It is observed that in the Diary of the Agent to the Governor of Fort Saint George in Visapattinam for the month of December 1858, mention is made of a visit paid to the Agent by the Zemindar, when reference was made by the latter to his levy of Transit duties, and he expressed himself willing to discontinue. "The matter was referred for further consideration and arrangement on the Agents visiting Madigole."

Right Honorable the Governor in Council desires that the Agent will, as soon as possible, furnish a statement of the necessary information, report fully on this subject through the Board of Revenue, stating what these duties are, upon what commodities, on what roads and at what rates they are levied, and under what authority; also whether Transit duties were among the duties which the Peshcush of the Madigole Zemindary was fixed.

The Agent will explain further whether such duties are levied in any other part of the Vizagapatam District, and, if so, will give the like information in respect to them.
