№ 201

Dated 15-2-1859.

No. 58. Read the following Remarks of the Board of Revenue, dated 4th February 1859, No. 415, on a Tabular Report on a lapsed Inam from the Acting Collector of Salem, dated 15th December 1858, No. 54.

(In Con. 28th December 1858, No. 5717.)

This is a charitable grant and though unsupported by any Sunud, is found entered in the Survey Accounts of 1797 in the name of Gherry Appen, by whom one half of the Inam was subsequently alienated by gift to the father of the present holder, and the other half, on Gherry Appen's death, passed to his son. In 1847 the son alienated his Inam to the person who holds the other half and subsequently died without issue. The Acting Collector proposes to resume the latter Inam, and to continue the other half to the present holder; but as these transfers were made before the promulgation of the Inam Rules, prohibiting such alienations, and, as the present holder has had possession for more than 11 years, the Board recommend the continuance of the Inam to him subject to the rules to be finally passed for the settlement of Inam tenures.

No. 59. ORDER THEREON, No. 201; dated 15th February 1859.

The Government do not assent to the recommendation of the Board of Revenue in this case. The Inám has passed out of the family of the registered holder, and there are no documents forthcoming in support of the transactions by virtue of which it is claimed. The Inám is consequently resumable, but the Government resolve to continue half of it as an indulgence to *Ramáchári* for his life; the other moiety being at once brought to full assessment.
