PUBLIC DEPARTMENT.

No. 181.

Extract from the Minutes of Consultation, under date the 3rd February 1859.

Read the following Despatch from the Right Honorable LORD STANLEY, Secretary of State for India; to the Right Honorable the Governor in Council at Fort Saint George, dated East India House, London, 22nd December 1858, No. 19.

Public.

MY LORD,

My attention in Council having been called to the absence of an endorsement on each letter from your Government to this Office; I request that directions may be issued that the practice until lately followed of giving a short abstract of the contents upon the outside of every Despatch may be forthwith continued.

Order.—This Despatch will be communicated to the several Departments of the Secretariat for observance.

2. It is remarked that the practice adverted to has not been discontinued lately, but four years ago, in consequence of orders to that effect received, through the Supreme Government, from the Honorable the Court of Directors—Despatch 14th February 1855, No. 10, Financial Department—on the ground that the abstracts were practically of little use, the Despatches being invariably re-abstracted in England.

3. This matter will be communicated to the Government of India for their information.
