No 223

Date 17-2-1857

No. 24. Read the following letter from J. D. SIM, Esq., for the Inám Commissioner; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras; 5th February 1859, No. 27.

SIR,

Para. 1. I have the honor to request that you will, with the permission of the Right Honorable the Governor in Council, furnish for the use of the Inam Commissioner's Office, copies of the papers, specified in the annexed list, relating to the History of the various Sovereign powers who ruled over that part of the Madras Territories, to which the District of North Arcot belongs, prior to its transfer to the British Government.

2. The above information was required by Mr. Taylor in a Circular letter addressed to the Collector of North Arcot on the 20th December last; but Mr. Whittingham having stated* in reply that he is unable, from the inadequacy of his establishment to meet any additional demands upon its srvices or to furnish copies of the documents bearing upon the subject, of which he has given a list, unless by employing extra hands to be remunerated by the Commissioner, I have deemed it advisable to apply for copies of those papers direct to Government at once; as, from their addresses, I am led to believe they will be found among the records of the Government office.

* *From the Collector of North Arcot dated 2d February* 1859, *No.* 51.

3. If no spare copies of these documents are available the originals themselves may be sent, and they will be returned after copies have been taken of them in this office.
