Revenue Department

№ 230

Dated 21—2—1859

No. 36. Read the following Extract from the Proceedings of the Board of Revenue, dated 4th February 1859, No. 418.

Read letter from the Acting Collector of Malabar dated 17th December 1858, No. 184, giving his opinion on the Board's proposal to transfer the General Treasury of the District from Calicut to Cannanore.

(In Con. 28th December 1858, No. 5791.)

Resolved that the foregoing communication from the Acting Collector of Malabar be submitted for the consideration and orders of Government, with reference to para. 5 of Board's Proceedings No. 3634, dated 27th September 1858, and para. 2 of Extract Minutes Consultation, No. 1396, dated 13th October 1858.

In Con. 15th October 1858.

2. From Mr. Grant's explanation it appears that, although Cannanore from its being the chief Military station of the District, and possessing a strong Fort, offers better security than Calicut for a General Treasury, it is far from being conveniently situated as regards the greater part of the District.

3. In consideration however of the defenceless state of Calicut, Mr. Grant does not object to the removal of the General Treasury from there into the Fort at Paulghaut where it has been found necessary to have a Branch Treasury to meet local disbursements, Railway Bills, &c., which are shewn in the Statement enclosed in his letter to be heavy; but this change can be carried out conveniently only on the completion of the Railway which will render it easy to make large remittances from Paulghaut to Calicut where, as it is the Huzzoor station, ample funds are required.

4. In the Northern Division the principal Treasury is located in the Fort of Tellicherry, a convenient and sufficiently safe place for the purpose.

5. Under these circumstances the Board are of opinion that the present arrangements need not be disturbed until the completion of the Railway to Paulghaut, when the question of locating a General Treasury at the latter station can be reconsidered.
