Ordered that the foregoing Extract be recorded.

IN CON. 1ST FEBUARY 1859, No. 421.

From C. PELLY, Esq., Collector of BELLARY,

dated Thumburhully, 26th January 1859. No. 7.

I have the honor to acknowledge the receipt of Extract from the Proceedings of the Board of Revenue under date the 4th ultimo, No. 4512, and of Extract from the Minutes of Consultation dated 21st idem, No. 1690, authorizing me to take immediate measures, for establishing the rights of Government to the Sayer Choultry at Humpasaugur, in the Hoovinhudgalee Talook, and requesting me to forward a draft plaint for the Board's approval. On receipt of the above instructions of Government I communicated the resolution of Government to Saroor Aunadanapah, through the Tahsildar of Hoovinhudgalee, in order to know whether he would still persist in disputing the rights of Government, to the Choultry. Aunadanapah however has yielded his claim, and has executed a document surrendering the Choultry to the Gnvernment. He says, he purchased the Sayer Choultry in question from Nursapah, and held it on the supposition that it was Nursapah's property; but as the Government now propose to take legal measures for the recovery of the building, which is shewn by records to be the property of Government, he is unwilling to become a party against Government. He has vacated the Choultry; and the Tahsildar reports that the bnilding has been made over to the charge of the Zilladar of that place. Under these circumstances it is not now necessary to take any legal measures regarding this Choultry. I ascertained also personally from the brothers of Aunadanapah that their claim to the Choultry was abandoned.

2. I have called for a detailed list of all public buildings in this district; on the receipt of which I will, as directed by the Board take steps to place those which are of any use under charge and in possession of Government Officers; and suggest the mode of disposing of others for the consideration and orders of the Board of Revenue.
