EXTRACT from the PROCEEDINGS of the BOARD of REVENUE, dated 29th April 1859.

Read letter from the Collector of Tanjore, dated 25th March 1859, No. 59.

(In Con. 28th March 1859, No. 1295.)

Resolved that the above letter be submitted to Government with reference to their Endorsement of 22nd December 1857, on Petition No. 2973, of that year.

2. The land which Petitioner seeks to recover by Civil Suit for her adopted son as being the share of his adoptive father (her late husband) in the family Inam lands, appears to be included in the Surva Manium lands registered in the Survey accounts of Fusly 1238, in the name of her brother-in-law. It was also registered in his name in 1814, in the Collector's Office and had been previously in possession of his grand-father who purchased it from the original grantee, the date of the grant by the Dutch Government of Negapatam being 1741.

3. The Board concur in opinion with the Collector that under the circumstances of the case, Petitioner's request may be complied with, without objection.

4. The delay that has taken place in submitting this report called for explanation.
