No 1280

Dated 7-3-1859

Fort Saint George, Revenue Consultation of 8th March 1859.

No. 37. Read the following Petition.

To J. D. BOURDILLON, Esq., Secretary to Government.

The Petition of Rajah Nariah Apparow, Zemindar of Nedadavole in the District of Masulipatam, dated Madras, 2d February 1859.

RESPECTFULLY SHOWETH,

Your Petitioner in submitting the accompanying appeal to the Right Honorable the President of the Council of India, trusts he shall be excused for his importunity on a matter involving the prosperity or ruin of himself and his family; it was his desire to have waited on the Right Honorable the Governor to have briefly stated his case, and for this purpose he addressed the Private Secretary, by whom he was directed to submit a statement of his case, this he did in the form of a respectful petition, which was returned by the Deputy Secretary to Government with the usual endorsement, referring the petitioner to para. 4 of the petition rules, and further with the intimation that "no further addresses on this subject will be noticed."

Your Petitioner cannot but feel that had an interview been granted he would in a few words have explained his case and have avoided the disappointment of having returned to him the statement, which under the instruction of the Private Secretary, he had drawn up for Lord Harris' information, he has however confidence that in submitting his case to the President of the Council through you it will receive the consideration which his former appeals, based on other grounds and perhaps unskillfully drawn up, failed to elicit; he has endeavoured to state his case clearly and concisely, but he has thought it well to append his former Petitions to the Honorable Court of Directors in case of further details being required.

Your Petitioner has annexed copies of translations of the several documents supporting his statements, and is prepared to produce the originals if called upon to do so, copies will however be found in the records of the Masulipatam Cutcherry.

In conclusion your Petitioner would beg your personal attention to his case in the confidence that this only is needed to ensure a favorable notice of it by this Government.

And for which act of justice your Petitioner will as in duty bound ever pray.

No. 38. ORDER THEREON, No. 280; dated 7th March 1859.
