Fort Saint George, Revenue Consultation of 8th March 1859.

No. 287.

No. 50. Extract from the Minutes of Consultation under date the 8th March 1859.

The Government observe that the greater part of the North Arcot Gazette of the 25th Ultimo is filled up with the re-publication of Circular Orders issued by the Court of Suddr and Foujdary Udalut in 1856, and some of the orders have appeared in previous issues also. The Government do not see the advantage of re-publishing these old orders, and they are of opinion that the Gazette is not under efficient management. The Board will endeavour to arrange with the Collector to entrust the charge to some one of his Assistants; or if that is not practicable at least to render the management more efficient than it is at present.
