2. Having been now upwards of ten years at work without any change to the Hills, or elsewhere, and my duties having frequently compelled me to be out in Tents during the hot months in the year, I find that both mental and bodily energies require recruiting by a change to England. I beg to enclose a Certificate signed by the Civil Surgeon who has lately attended me.

Requesting leave of absence for Mr Banbury

Duplicate. No 151

1. The furlough and preparatory leave are recommended to be granted under the circumstances of failing health as described in the Medical Certificate, that the Director of Revenue Settlement cannot but deeply regret the privation of Mr Banbury's services after his being so short a period in the Department and his very efficient conduct of his present duties.

2. It is necessary that a successor should be appointed from the date on which Mr Banbury leaves his duty as the large Settlement party under him cannot be left without a Deputy even for a few days without serious impediment to the work.

No 192 —

Q. Asst. Office
Camp Mooltan
South West District
3d March 1859.

Recommended in modification of the applications of 21st January and 2d March 59.

The Director's original recommendation was based upon the fortune of boards of Mr. Bambury as adopted in the Certificate of the Med. Officer who attended him at Sea, a Certificate which will probably be sufficient to satisfy the Govt. on the expediency of granting the furlough without awaiting for the Certificate to go thro' the further formalities.

The Director is satisfied also from his own observations during his present tour with Mr. Bambury that he is unequal to carry on efficiently the arduous duties of Dy Director thro' the approaching hot season.
