303

No. 25. Read the following Extract from the Proceedings of the Board of Revenue, dated 23d February 1859, No. 672.

Read letter from the Collector of Madras, dated 24th January 1859, No. 7.

(In Con. 25th January 1859, No. 314.)

Resolved that the letter recorded above be submitted for the information and orders of the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation, dated 25th November 1858, No. 1578, R. D., para. 2.

In Consultation 2d Dec. 1858.

2. The Collector explains that the Extra Peons objected to by Government are required at the Madras Cotaurs where the storage and sale of Salt have greatly increased, while no increase has been made in the strength of the permanent Establishment, which is found unequal to the additional labour entailed upon it by augmented transactions: and points out that though there is an increase of Rupees 576 in the estimated charges for Peons, reductions elsewhere leave the total estimated charges on account of additional Establishments in the Salt Department for Fusly 1268 less by Rupees 294 than in the preceding year.

3. The Collector further states that the quantity of Salt in store at the Madras Cotaurs has averaged 8,93,000 Indian Maunds in Fusly 1267, and 8,08,000 in Fusly 1268.

From, B. CUNLIFFE, Esq., Collector of MADRAS.

dated Madras, 24th January 1859 No. 7

1. As directed in Circular No. 4466, I have the honor to forward the information required by para 2 of Extract Minutes of Consultation, 25th November 1858, No. 1578.

2. The quantity of Salt in store has averaged 8,93,000 Indian Maunds in Fusly 1267, and 8,08,000 in Fusly 1268.

3. The Superintendent of Salt most earnestly requested an addition of 2 Duffadars, 2 Head Peons and 30 Peons, on the ground that the existing Establishment was too severely worked, as exemplified by the death of one, and total prostration by sickness of two Duffadars, and I have recommended the employment of but 1 Duffadar, 1 Head Peon and 5 Peons. These last were for duty at the Madras Cotaurs, where the store and sale have trebled, but the permanent strength of Peons has remained the same.

4. Though the Estimate for the Peon Department was increased by Rupees 576 annually yet it will be observed that by reductions in other quarters the total charges for Fusly 1268 show a decrease of 294 Rupees below the preceding year.
