2. The first grant appears to have been made during Tippoo's reign, and was alienated some 20 years ago by the registered holder to his grandson on the daughter's side.

3. The second grant was alienated by a deed of gift, dated 9th September 1794, to one Varaha Charry from whom it passed to his son and then to his grandson.

4. The Acting Collector recommends the resumption of the Inams on the ground that they have been alienated from the family of the original grantee, and that the grandson of the deceased holds other Inams assessed at Rupees 86-15-6; but with reference to the rule laid down by the late Court of Directors in their Despatch of the 1st

Inam be continued to Shashagherrya Charry, grandson of the last holder, pending the inquiry to be instituted into rent-free tenures by the Inam Commissioner.

The course recommended by the Board with reference to these <sup>911</sup> names is sanctioned.  
 & Mr. G. W. Greene that the papers started occurred six years ago and no attempt is made to explain the delay in re-  
 suming - pending on it -
