No 317.

Dated 14 — 3 — 1859

No. 51. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, Fort Saint George; dated South Arcot 23d February 1859, No. 165.

SIR,

Para. 1. In Extract Minutes of Consultation 19th January 1858, the *No.* 70. Government were pleased to sanction the advances of Rupees 1,200, and Rupees 600 for boundary pillars in Rajahmundry and Masulipatam, respectively, and also Rupees 1,158 for Trichinopoly for a similar purpose. Much of these sums has now been expended, and in the midst of operations it is not practicable to adjust the accounts which contain advances for the supply of materials for work still going on. It may however suffice on the present occasion to state that of the advance for Rajahmundry 300 Rupees is still in hand, but an account will shortly be brought in for about 800 Rupees for materials now being supplied to complete the boundary works of 4 Talooks.

2. From Masulipatam the accounts have been called for, but there cannot be much remaining on hand.

3. In Trichinopoly, there has not been much expended owing to the assistance afforded by the ryots and the facilities for procuring boundary stones. The accounts for the latter District will shortly be adjusted out of the advance sanctioned, but for the other Districts some further advances are requisite, and I beg to request sanction for Rupees 2,500 for Rajahmundry, Rupees 2,500 for Masulipatam, and Rupees 2,000 also for Salem about to be undertaken, making in the aggregate Rupees (7,000) seven thousand for the three Districts, which will probably suffice fo a year or more.

4. As Talooks are completed, no time will be lost in adjusting the actual account for the same. These sums as directed in Extract Minutes of Consultation 19th January 1858, No. 70, are eventually to be recovered from the ryots by withholding reductions of assessment under the new settlement to the amount of the same in the first year of its introduction.

No. 52. ORDER THEREON, No. 317; dated 14th March 1859.

1. Ordered to be referred to the Board of Revenue for early report.

2. Mr. Newill's attention is requested to para. 4 of Extract Minutes Consultation September 11, 1857. As a general rule his communications with Government respecting the general arrangements of his Department, should pass through the Board; but he will not be precluded from writing direct in particular cases whenever he may consider that course expedient.

(Signed) J. D. BOURDILLON,
Secretary to Government.
