2. They have been invariably returned as the course pursued has been authorized by the Home Authorities

3. In Jan.y last the Bibi of Cannanore petitioned Govt., and Lord Harris appeared to think that some of the charges entered against her for provisions supplied in 1857 were unreasonable, and several of the articles unnecessary.

4. All the papers are in the Office with the exception of a letter from the Bombay Govt. by whom the provisions were supplied, and in which the cost of the several items is detailed -
